

# Press Release

August 19, 2009 4:45pm Coarsegold, CA – Cows In Fresno River

Removal of the animals from the ravine was temporarily halted today due to concerns of worker health and safety, and heat related stress. Work is expected to resume early tomorrow morning. The cattle owners are continuing to work with the County and other agencies to abate the nuisance in the most expedient and compliant manner. Methods to control odors are also being applied.
