### Authorization for Use of Restroom Facilities

The California Retail Food Code, Section 114315, requires all produce vehicles, carts and other mobile vehicles to operate within 200 feet of approved and readily available toilet and hand washing facilities.

This section is to be completed and **signed by the owner/operator of the business providing the restroom facilities** for a mobile food cart or mobile food preparation unit which will be operating at an approved location for a 1 hour period.

Business Name	Owner Name	Telephone #
Business Address	City, State	Zip
Days of Operation	Hours of Operation	Cell phone #

This section is to be completed and **signed by the commercial, industrial, or highway frontage zoning land owner providing approval of operating** a mobile food cart or mobile food preparation unit for a 1 hour period on the parcel.

Business Name	Owner Name	Telephone #
Business/Owner Address	City, State	Zip
Days of Operation	Hours of Operation	Cell phone #

Your signature as the restroom facility owner on the line below indicates that you agree to allow the indicated mobile food facility to use your restroom facilities.

Name of Mobile Food Facility	
Mobile Food Vehicle License #	

The restroom shall be equipped with a hand washing sink, hot and cold running water, a self-mixing faucet, and supplied with soap and single service towels in permanently mounted dispensers that are approved by the Environmental Health Department.

I certify that the above information provided is true and correct

Signature of Owner/Manager                      Signature (Print)                      Date

Signature of Mobile Food Operator                      Signature (Print)                      Date
