Hello Janice,  
Thank you again for taking time to talk with me and consider a PC 1000 program in the East Madera County area.

Yes, Cornerstone is interested in being considered to provide PC 1000 services for East County. I will be working to provide the necessary documentation regarding delivery of services. Please keep us advised of dates and information required as they arise.

Thank you for the opportunity to be considered as a possible provider.

Respectfully,

Greg Thomas
