

2007/2008 Project Outlook

The Madera County Road Department is pleased to provide the following list of proposed projects for the 2007/2008 construction season:

Avenue 15 Bridge Replacement- remove and replace existing bridge and reconstruct roadway approaches on Ave. 15 approximately 12 miles east of the city of Madera. (HBP)

Road 200 Reconstruction (Phase 1)- reconstruct and realign approximately 3.4 miles of Road 200 beginning at Spring Valley School. (Measure A)

Road 415 & SR41 Traffic Signal Installation- install traffic signal and construct intersection improvements at the intersection of County Road 415 and SR 41. (CMAQ)

Lanes Bridge & Children's Blvd Traffic Signal Installation- install traffic signal at the intersection of Lanes Bridge Blvd and Children's Blvd near Valley Children's Hospital.

Please be aware that this list represents the proposed construction projects and may be subject to change due to unforeseen circumstances.

In addition to the projects listed above, information about projects proposed for the 2007/2008 Measure T Annual Work program can be viewed at the Madera County Transportation Commission website (www.maderactc.org).
