RE: Deposit for Curb and Gutter, and Driveway Approach

The Madera County Road Department will require that curb and gutter be constructed and approved by the Road Department prior to the Madera County Building and Engineering Department conducting a final inspection on this structure. If the applicant cannot construct the curb and gutter at this time, a deposit of **\$28.00 per foot of road frontage and \$3,880.00 per driveway approach**, may be made to the Madera County Road Department until such time that the curb and gutter and approach can be constructed.

The deposit shall be returned to the applicant upon completion and approval from the Encroachment Inspector of the curb and gutter and approach. The total deposit is valid for **six (6) months** and the approach must be completed in this time limit. Failure to complete the approach within the six months may result in forfeiture of this deposit.

An **Encroachment Permit** for the fee of **\$90.00** is required prior to acceptance of deposit

Gary Bispham
Road Encroachment Inspector
